EXCITING SUMMER NEWS

Campers Return!

While things may look a little different this summer, we have received exciting news about summer camp operations from the Governor of Maryland, where our beloved Camp St. Charles is located. We can confidently welcome campers this season, and we are so excited!

“We are going to have so much fun this summer that we will definitely make up for 2020,” said Laura Hall, camp director. “Our team is working tirelessly, adapting our programs to meet revised guidelines from the American Camp Association Field Guide for Implementation of CDC Guidance,” she said. “We are all eager to return to camp and are continuing to work on a variety of ways to adapt our summer camp programming and integrate COVID-19 mitigation protocols.

Honoring Fr. Glen

A special virtual celebration took place on March 5th to honor Fr. Glen Willis SDS, who for over 60 years has served Camp St. Charles, while wearing a variety of hats. In recognition of his contributions and unfaltering support to CSC, the camp pool will be renamed and dedicated in his honor as a tribute to his commitment and service to camp and his celebrated stint as a swim instructor over the course of many summers.

Fr. Glen always enjoys sharing his love of music
